

R IS FOR ROBOTS

*Students start marching across the stage in robotic formation. They are all wearing the same type of glasses. EVAN enters without any glasses.*

Where did you all get these glasses?  
EVAN

Oh these? Everyone is wearing these.  
ROBOTS

I don't have any.  
EVAN

You should get them!  
ROBOTS

No thanks, I don't think it's my style  
EVAN

It's everyone's style  
ROBOTS

*THE ROBOTS force the glasses on (students) head and keep marching. EVAN joins the end of the line and marches off stage.*
